Serving North Spokane County

## Address Sign Request

The District has initiated a program to provide, at no charge to the resident, property address signs. The purpose of the program is to enhance the District's ability to provide accurate and timely responses to fire and medical services in the event of an emergency.

The District emergency response crews are dispatched in the event of an emergency call to a specific address. The response may occur during the day or night and under all-weather conditions. If the responding crew is unable to locate the specific structure in which the emergency conditions exist, the providing of the required emergency services could be delayed, which could result in serious medical or fire consequences to the victim or the property.

The District requests that the resident display the property address sign as requested by the District to improve the emergency service protection provided by the District. There are many factors involved in providing emergency medical and fire responses and the District cannot and does not make any assurances or guarantees that the use of the sign will improve response times.

The District's limited revenues and funds are primarily used to provide personnel, equipment, facilities, supplies and overhead expenses of the District. The funding of enhancement programs, such as this program, places an added financial responsibility on the District budget. The District gratefully accepts voluntary donations to help offset the costs of the emergency services provided by the District.

The District is a municipal corporation under the laws of the State of Washington and donations to the District are income tax deductible pursuant to Internal Revenue Service regulations.

Donations should be made payable to Spokane County Fire Protection District No. 4 and sent to PO Box 1549, Deer Park, WA 99006. If additional information is needed, please contact the District Office at (509)467-4500.

No donation is required to receive the property address sign and the full amount of any donation is tax deductible. Materials for each sign cost approximately \$20.00. If you have any questions, please call 509-467-4500

*Due to weather and ground conditions, address signs will only be installed from March 31 to November 1. The placement of the sign on your property could take six to eight weeks.*
